A MESSAGE FROM THE HEADTEACHER

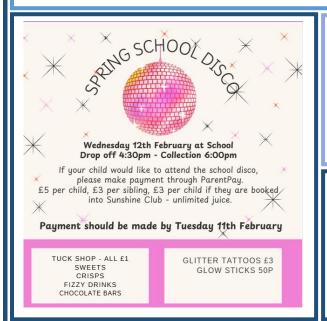

Our Year 4 children had a brilliant session on Tuesday afternoon with the Kirklees Safety Rangers team learning about road safety, KS1 and Early Years have progressed on from Dance to Cheerleading in their Project Sport PE sessions and some members of our School Parliament did their first ever show around of school to some new visitors on their own. Well done Charlie, Izabella, Silver and Angus they were very impressed with your communication skills!

Well done also to Team Lenny who showcased what they had been doing in their music lessons with Ms Robinson at our Stars Worship this afternoon, you were brilliant.

We have a busy week next week with Young Voices going to Sheffield Arena and a Harry Potter organ event at Kirklees Town Hall for the rest of Year 4 and Year 5, Year 1 will be spending a morning at Shelley College taking part in a multiskills event, Team Roberts will be taking part in an Energy Heroes workshop and Year 4 will be going to Bradford University on a Cones book launch day based around broadband and how it is delivered into homes. They will be taking part in a writing and presentation competition while they are there.

Have a great weekend!

Mrs Claxton

Recruitment

We are currently recruiting for a lunchtime role as an Activity Play Worker for gardening and sport. If you would like any more information or know anyone that might be interested in this role, please contact the office.

Thanks

A big happy birthday to Jacob and Izabella who have celebrated their birthday this week. We hope you enjoyed your special day!

Free online webinar - Game on: Supporting neurodivergent children in the online world

Ambitious about Autism, in partnership with Internet

Matters and Roblox, is excited to host a free online webinar for
parents and carers of neurodivergent children and young people

In this live session, you'll hear from a diverse panel of experts including online safety professionals, autism specialists, and a fellow parent sharing their personal experience.

The webinar will cover a range of important topics, such as:

- Understanding life online for neurodivergent children and young people
- Insights from the online gaming research project
- Practical tools and resources to help you support your neurodivergent child in the online gaming world
- Tips to help your child stay safe online
- This session is interactive, with time set aside for questions

The Webinar will take place virtually, is free of charge and timings are 7:30 – 8:30pm Wednesday 29th January 2025.

Places are bookable via the Eventbrite link.
