A MESSAGE FROM THE HEADTEACHER

What an incredibly busy week we've had at Cumberworth!

Our Sports Day was absolutely fantastic, all the children (and parents) seemed to thoroughly enjoy the afternoon. We've also been thrilled to welcome some brilliant visitors. Huddersfield University came in to run workshops with each class - Team Attenborough learned about teeth, Team Sharman explored the digestive system, Years 3 and 4 focused on friendships, and Year 5 worked on transition skills. Our Year 5s have also begun their visits to Scissett Middle School this week, which is so exciting for them.

The Scissett Middle wind band treated our whole school to a wonderful performance, and we had the privilege of meeting Sports Champion Reuben Ward, a GB gymnast who's a European bronze medallist and British champion! The children loved listening to his journey and asked some brilliant questions.

Our Year 1 and Year 4 children have done amazingly well on their Phonics Screening and Multiplication tests - well done to them all! And I must celebrate our KS2 cricket team who are pyramid champions, beating eleven other schools. What an achievement!

Finally, thank you to all the dads and grandads who joined us on Friday afternoon ahead of Father's Day. It was lovely seeing you spend time with your children.

Have a lovey weekend,

Mrs Claxton

No other jewellery should be worn, and children will be asked to remove this at school and put into bookbags moving forwards.

Sports Day

Following the feedback we have received from sports day, some parents feel that there was a miscommunication regarding the date.

For upcoming events, if you log onto dojo and view calendar you should be able to view all upcoming events.

Alternatively, all dates for each half term are sent out with the class overviews and on our weekly newsletter.

We will look to be only using class dojo from September and doing a half termly newsletter rather than weekly.
