A MESSAGE FROM THE HEADTEACHER

What an exciting week we've had at Cumberworth! We started with our colour run fundraiser on Monday which was absolutely fantastic - the children thoroughly enjoyed themselves!

Team Lenny have been particularly busy with their creative unity project. They took part in an online artist event creating brilliant 3D portraits using recycled packaging, which perfectly shows how creativity and sustainability can work hand in hand. They also joined a live online writing event for National Writing Day, which was a fantastic opportunity to celebrate their writing skills.

Our Year 3 children had a brilliant morning at Shelley College on Tuesday, trying out new sports at their Get Active event. It's always exciting to see our children embracing new challenges and discovering what they enjoy.

We held a special stars worship to celebrate our Year 5 residential heroes with their parents - what a proud moment that was! Year 5 have also benefited from an important fire safety talk with Skelmanthorpe Fire Service.

Our new 2025 starters had their first transition visit on Wednesday afternoon with their parents. It was lovely to meet everyone, and we're looking forward to seeing you all again next Thursday at 1:30pm.

Mrs Hobson, Mrs Gibbins and I attended a celebration event at Tolson Museum to complete our Cultural Champions work, which has focused on bringing the arts into school throughout this academic year.

Finally, I wanted to inform you that our conversion to Learning Accord Multi Academy Trust will take place on 1st July 2025.

Enjoy the weekend!
