## A MESSAGE FROM THE HEADTEACHER

What an exciting week we've had at Cumberworth!

We've just completed our assessment week, which gives us valuable insights into how brilliantly our children are progressing. It's always fascinating to see their growth and development throughout the year.

Our Year 4 children had an absolutely fantastic time at their Get Active morning at Shelley College. They tried out a variety of new sports and came back buzzing with enthusiasm. Meanwhile, our Year 5s are busy preparing for their Leavers services and performances. This is such an important milestone for them as they get ready for their next adventure.

I'm delighted to confirm that we officially converted to Learning Accord Multi Academy Trust on Tuesday. You should have received a letter from CEO Elaine Watson via email on Wednesday about this exciting new chapter for our school.

We also welcomed Laura from Love Science, who came to promote her after school club starting in September. The children were very enthusiastic about her experiments!

Martha B and Joel represented us brilliantly at our first MAT Partnership day at Lowerhouses school. They collaborated wonderfully in small groups and planned and filmed a collective worship video which will be shared with all the school within the MAT. There was also a MAT handwriting competition which was judged on this day which showcased each school's talent.

Finally, it was lovely welcoming our new September starters on Thursday afternoon. You did brilliantly in your first session without your parents - well done!

Have a brilliant weekend!

Mrs Claxton

### **Wear it red and white day for the England women's Euro campaign!**
